OVERVIEW

This unit standard explores the role of team leader as an introduction to management within an organisation. It is intended for managers of small businesses and junior managers of business units in larger organisations. The term business unit in this unit standard implies a small business, cost center, section or department.

Junior managers include, but are not limited to team leaders, supervisors, first line managers and section heads. The first level of management in an organisation is the position of an employee who has other employees reporting to him/her.
